

# Data Matching Statement

West Yorkshire Fire and Rescue Authority is required by law to protect the public funds it administers. It may share information provided to it with other bodies responsible for auditing or administering public funds, in order to prevent and detect fraud.

The Cabinet Office is also responsible for carrying out data matching exercises which involve comparing computer records held by one body against other computer records held by the same or another body to see how far they match. This is usually personal information. Computerised data matching allows potentially fraudulent claims and payments to be identified. Where a match is found it may indicate that there is an inconsistency which requires further investigation. No assumption can be made as to whether there is fraud, error or other explanation until an investigation is carried out. Where necessary the Authority will update or revise the personal data it holds.

The Cabinet Office currently requires us to participate in a data matching exercise to assist in the prevention and detection of fraud. We are required to provide particular sets of data to the Cabinet Office for matching for each exercise, and these are set out at [National Fraud Initiative - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/consultations/national-fraud-initiative). The use of data by the Cabinet Office in a data matching exercise is carried out with statutory authority under its powers in Part 6 of the Local Audit and Accountability Act 2014. It does not require the consent of the individuals concerned under data protection legislation or the GDPR. Data matching by the Cabinet Office is subject to a Code of Practice. This may be found at [Code of Data Matching Practice for the National Fraud Initiative - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/consultations/code-of-practice-for-the-national-fraud-initiative). For further information on the Cabinet Office's legal powers and the reasons why it matches particular information, see [National Fraud Initiative privacy notice - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/consultations/national-fraud-initiative-privacy-notice).

For further information on Authority data matching contact Simon Straker, Audit Manager, Kirklees MC by email [simon.straker@kirklees.gov.uk](mailto:simon.straker@kirklees.gov.uk) or by telephone on 01484 221000.
